**Bea Guevarra**

**Bea Guevarra** is part of the Organizing Committee and Advisory Board of **NetMission DotAsia**. She discovered the Internet Governance community in **APrIGF/yIGF 2017** at Bangkok, Thailand. She has been an active participant in the **Youth Internet Governance Forum** and recently helped organized yIGF 2022 in Singapore. During the pandemic in 2020, she became a **NetMission Ambassador** and is still volunteering in the program as a Buddy. She also holds a Master's Degree in Information Technology.

**NetMission is where we started**

**NetMission.Asia** is a network of passionate young Asians dedicated to engage and empower youth on Internet governance discourse with the aim to enhance youth mobility and create impact in Asia.

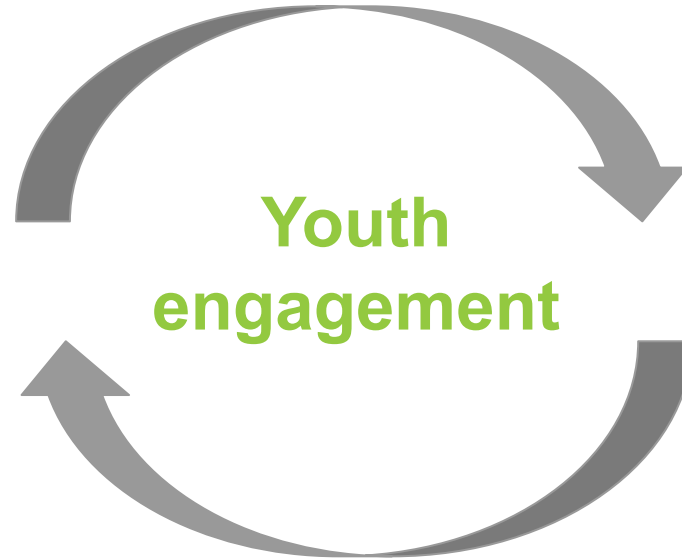

Supported by DotAsia Organisation, NetMission.Asia was established in 2009 where students from top tertiary institutes or universities are recruited every year and will be provided with a series of training workshops.

NetMission.Asia has been actively participating in various Internet conferences both regionally and globally, including ICANN meetings, IGF, APrIGF, Asia Pacific Internet Governance Academy (APIGA) and the Asia Pacific Next Generation Camp (APNG Camp), etc.

The NetMission Ambassadors organize the annual Youth Internet Governance Forum (yIGF) around Asia Pacific since 2010 to support and encourage youth participation on Internet governance, the ambassadors have been organising the yIGF in the Asia-Pacific regions, including Singapore, Tokyo, Seoul, Delhi, Macao, Taipei, Bangkok and Port Vila since 2010.

- **Support Your Local Youth Delegates & Community** – Adopt a decentralized model to support the voices of your community.

An aerial photograph of a busy city intersection. The scene is dominated by a large, dark grey rectangular overlay in the center, which contains the text "Mutual Understanding" in a bold, white, sans-serif font. The background shows a complex network of white zebra crossings on a dark asphalt road. Numerous pedestrians are seen walking across the crossings, some in groups and some alone, illustrating a diverse and active urban environment. The perspective is from directly above, looking down on the street.

# Mutual Understanding

An aerial photograph of a busy city intersection. The street is paved with dark asphalt and features several prominent white zebra crossings. Numerous pedestrians are seen walking across the crossings and in the surrounding areas. The scene is captured from a high angle, showing the layout of the roads and the movement of people. A dark grey rectangular box is superimposed over the center of the image, containing white text.
