# Bylaw changes – what prompted

Community called for changes to APNIC's By-laws at APRICOT 2023

## Problem

- By-law changes require the support of 2/3 of **all Members**
- By-laws can also be changed by a decision of Directors of APNIC Pty Ltd

## Response

- Change to By-laws enacted by Directors of APNIC Pty Ltd
  - By-Laws can now be changed by 2/3 of **all votes cast**
- Any future changes by Directors needs support of 75% of Directors

# Bylaw changes – resolutions passed

The 2023 By-law reforms endorsed by ~90% of voting Members introduced new rules to:

- Require nominees to live in the APNIC service region
- Limit the control one corporate group can have over the Executive Council
- Limit to two the total number of Executive Council of Members from any one economy
- Require nominees to have attended previous APNIC conferences (online or in-person)
- Require the nominees to agree to a code of conduct
- Introduce a new independent Electoral Committee to oversee the eligibility and conduct of nominees
- Prevent a person being nominated where they are involved in litigation against APNIC
