Continuous Improvement

Regional & Global Presence

# APRALO in Internet Governance Fora

---

- ⦿ Keeping the community updated in Internet Governance Discussions & WSIS+20 discussions
- ⦿ Encouraging participation at Global IGF and National, Regional, Youth IGFs
  - Many of our members are actively engaged in NRI initiatives and Global IGF
  - Encouraging community to submit session proposals to IGF / AprIGF
- ⦿ Presenting the APAC views in IG discussions
- ⦿ Initiating discussions on IG related topics such as Multistakeholderism

# Next Steps

- ⦿ Collaborate with AP\* members
- ⦿ Help build capacity in the region
- ⦿ Work together on WSIS+20 discussions
- ⦿ Explore opportunity to make joint submissions during WSIS+20

# How Can We Collaborate?

## Join Us

- Support the Multistakeholder Model
- Participate in APRALO initiatives
- Contribute to the work that we do
- Contribute to ICANN Policy Development
- Facilitate knowledge exchange
- Facilitate cross-community collaboration
